

GRADE 12 COURSE SELECTIONS

Please note that the students who are registered in the Graduation Program are given priority for placement in the following Grade 12 courses. Grade 11 international students can make a request for special consideration at the bottom of this page, but there are no guarantees. Grade 10 students are not eligible for any Grade 12 courses.

One semester or less students should choose six courses in order of priority. Please number accordingly with 1 as your first choice, and 6 as your last choice. At least one course should be an academic course.

Full year students should choose ten courses in order of priority. Please number accordingly with 1 as your first choice and 10 as your last choice. At least two courses should be academic core courses.
